YOUR GUIDED TOUR

CommunityConnect

Fifteen minutes to your first shared plan.

Every feature walked through with real screenshots - discovery, decision rooms, buddies, vouches, your QR networking card and referral rewards.

WELCOME

What CommunityConnect is

Your group chat has three event links and no decision. CommunityConnect turns those links into one p

- Discover or post events - every listing keeps its source link so facts stay checkable.
- Vote with your circle in a Decision Room; the deadline is real and the formula is published.
- Confirm separately; get a calendar file; find a buddy so nobody walks in alone.
- Vouch for people who were great; build a peer-verified profile.
- Invite friends: you both get bonus XP, boosts and badges.

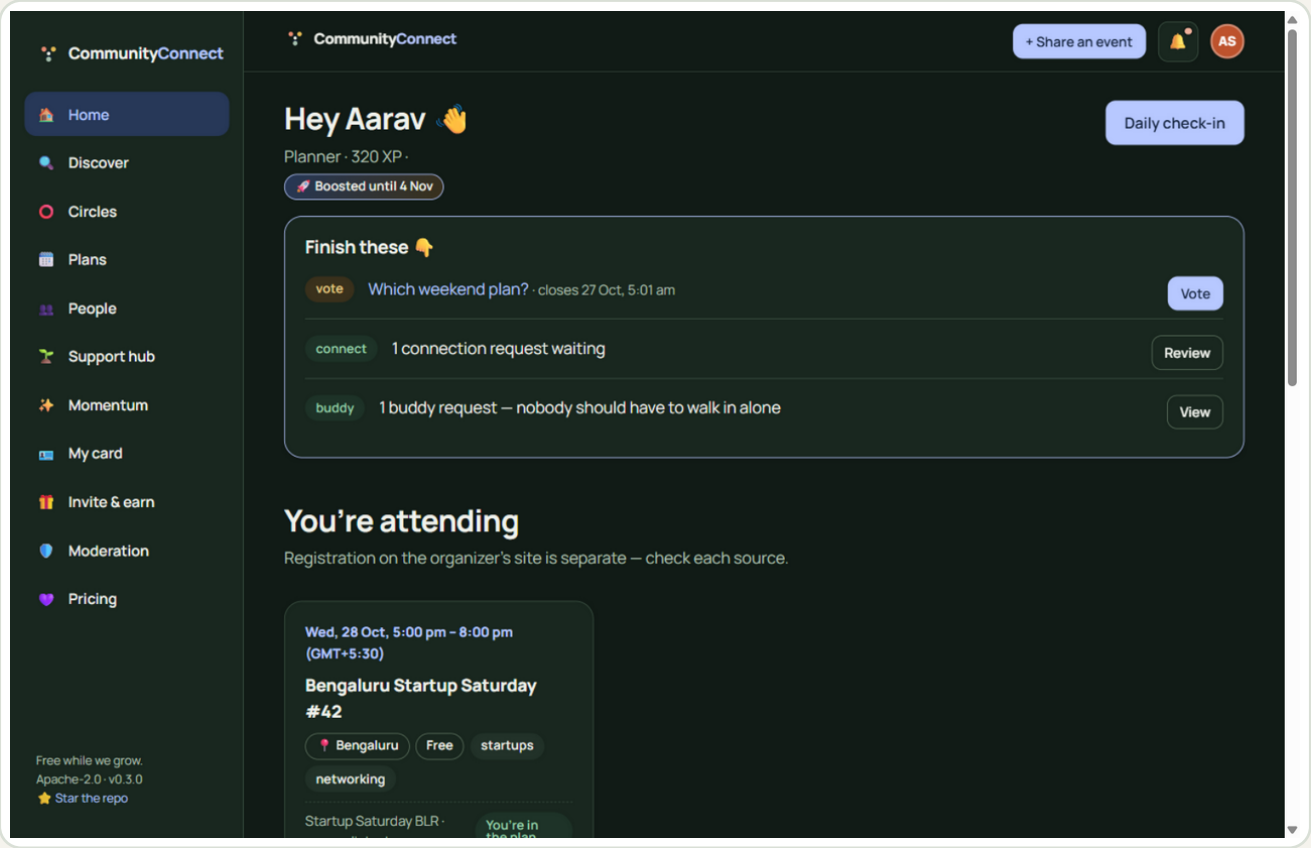

STEP 1

Getting started

Open https://siddhant-pardeshi.github.io/communityconnect/ and either create a free account (name,

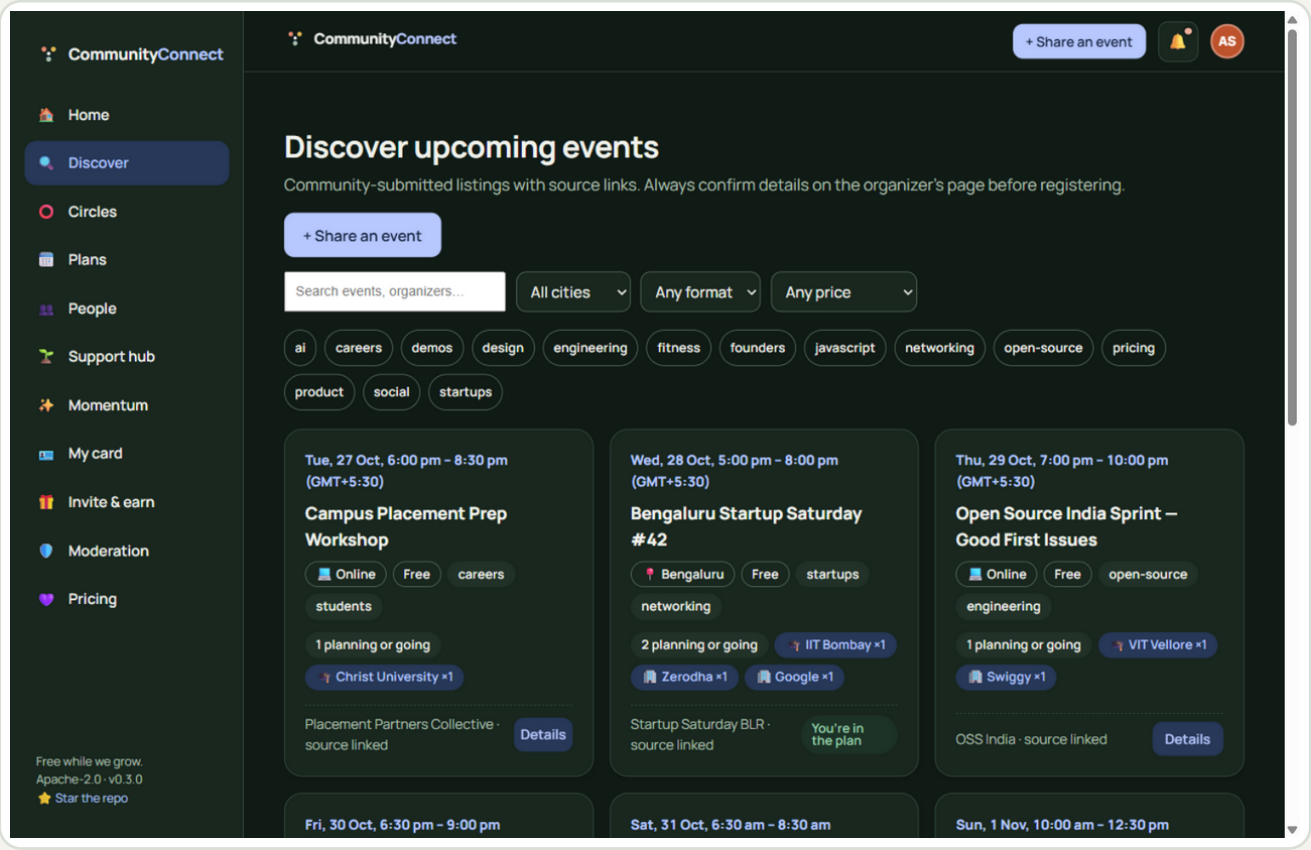

- Add your college, company and interests on your profile - you choose what stays public.
- Your daily check-in and streak live under Momentum; it is gentle and hideable.
- The dashboard always shows your next actions: votes waiting, plans to confirm, requests.

STEP 2

Find events worth attending

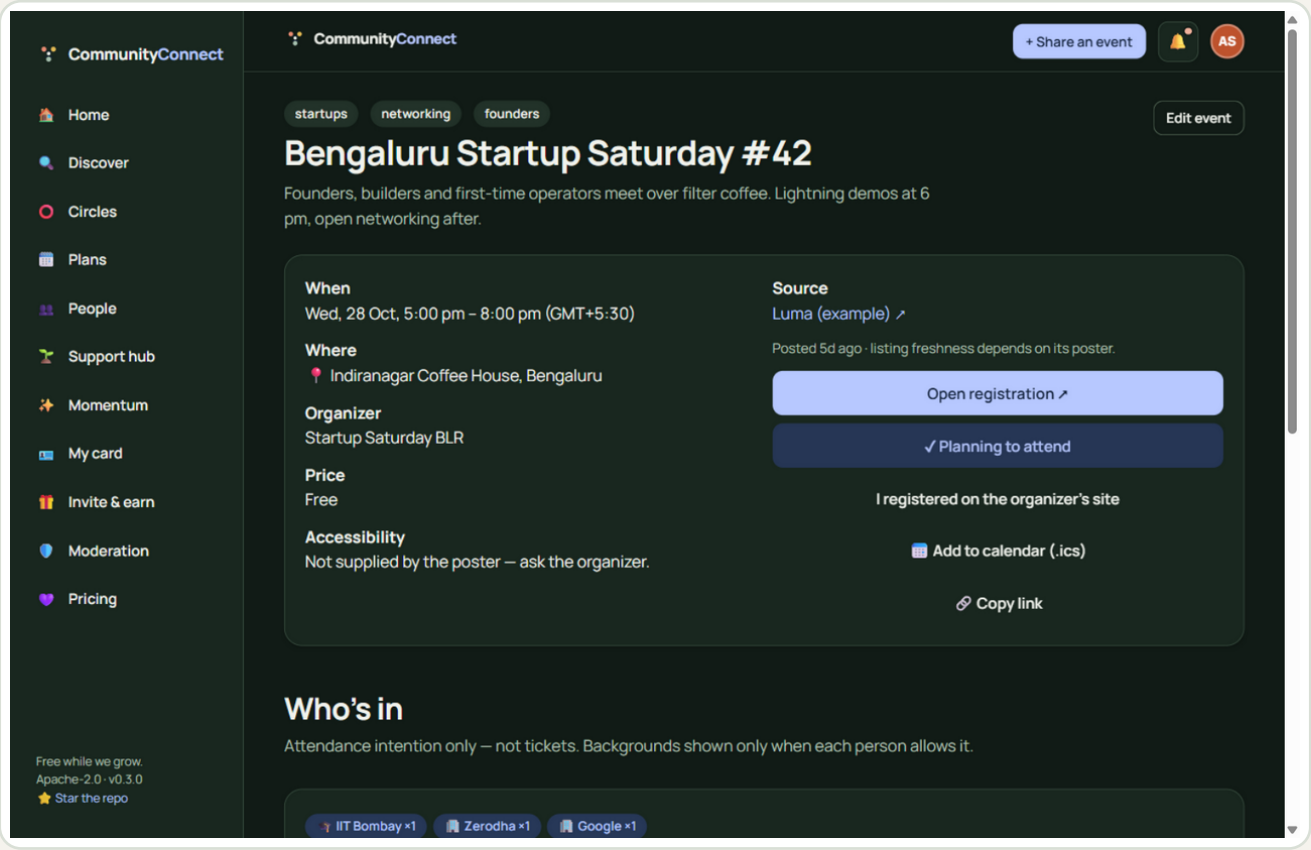

Discovery lists community-submitted events with search, city, format, price and tag filters. Every card

STEP 3

Inside an event page

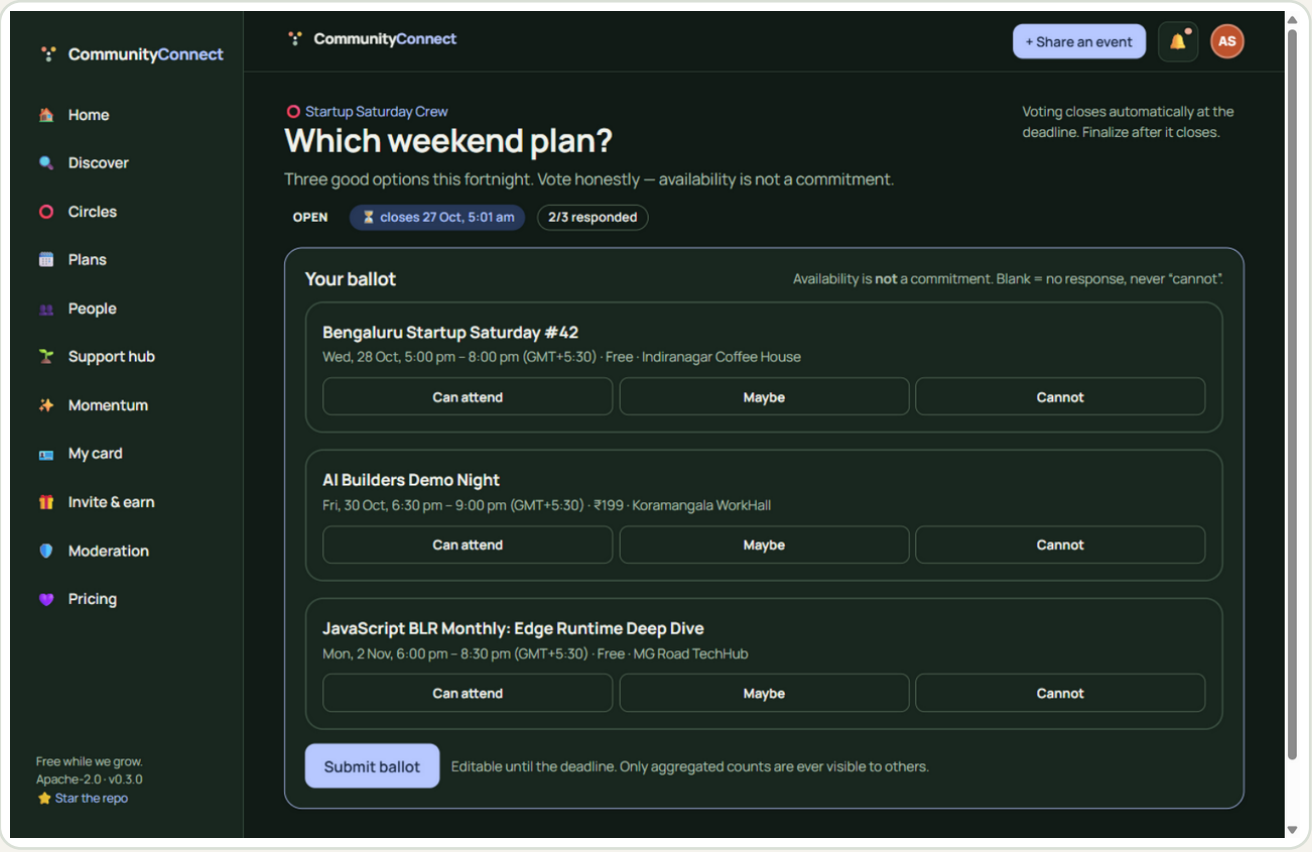

Each event separates organizer facts from discussion. Mark yourself 'planning' or self-report that you

STEP 4

Vote in the Decision Room

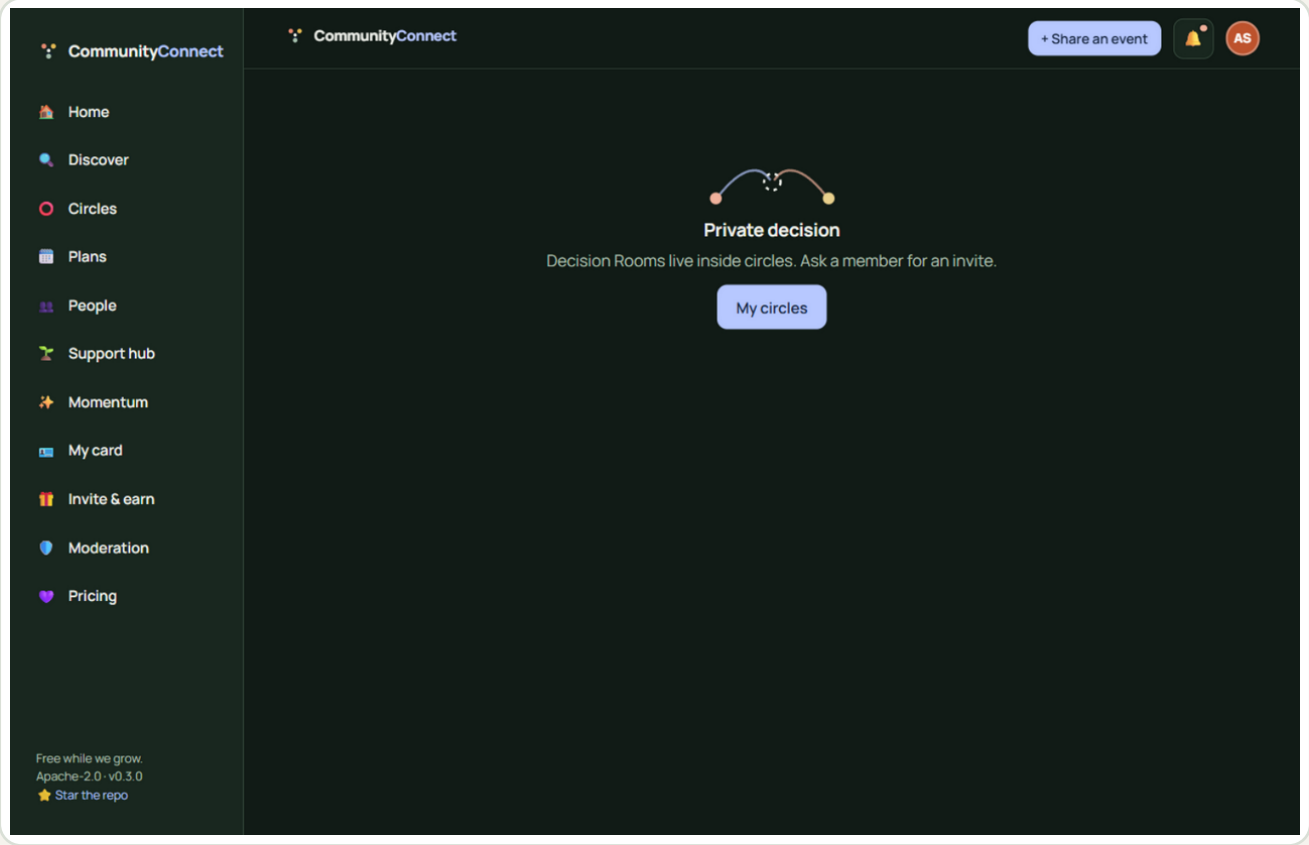

Someone in your circle opens a vote with 2-8 candidate events. For each one you mark can / maybe /

STEP 5

From result to confirmed plan

When voting closes, the circle owner finalizes: the recommended option comes from the published for

STEP 6

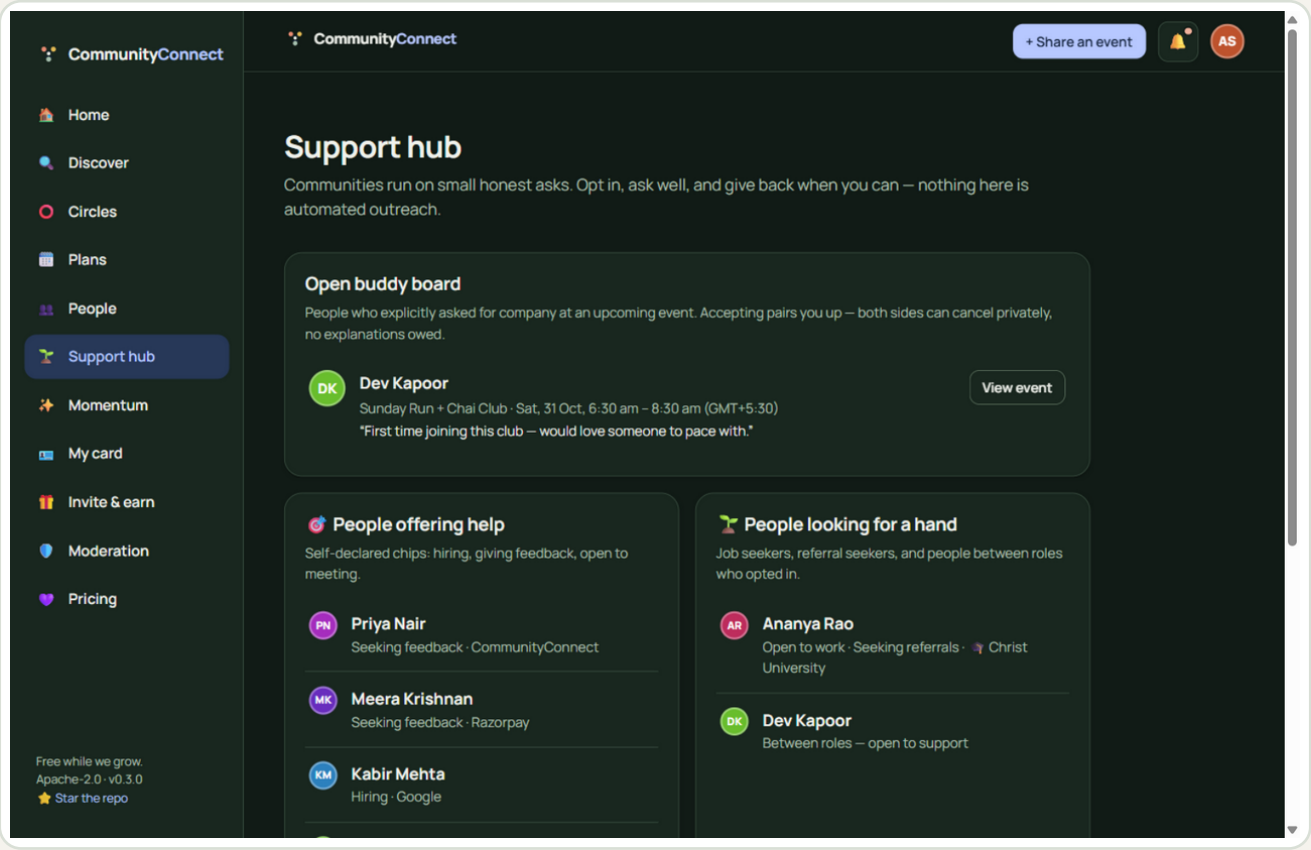

Circles: your private planning room

Circles are small private rooms - your friends, your candidate events, your decisions. Create one, shar

STEP 7

Buddies and the support hub

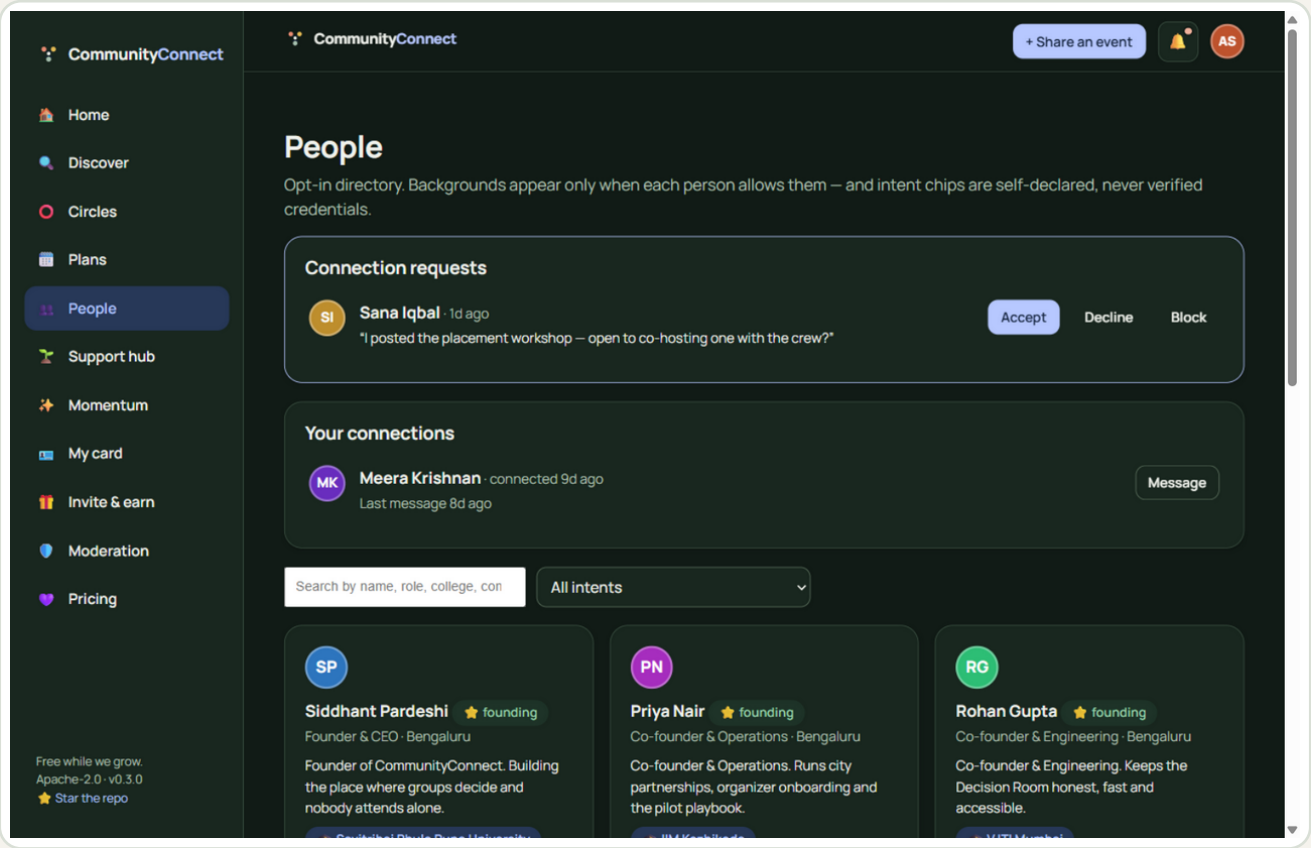

Anyone can ask for company at an event - the buddy board shows open requests and both people mu

STEP 8

Vouches: peer trust that refreshes

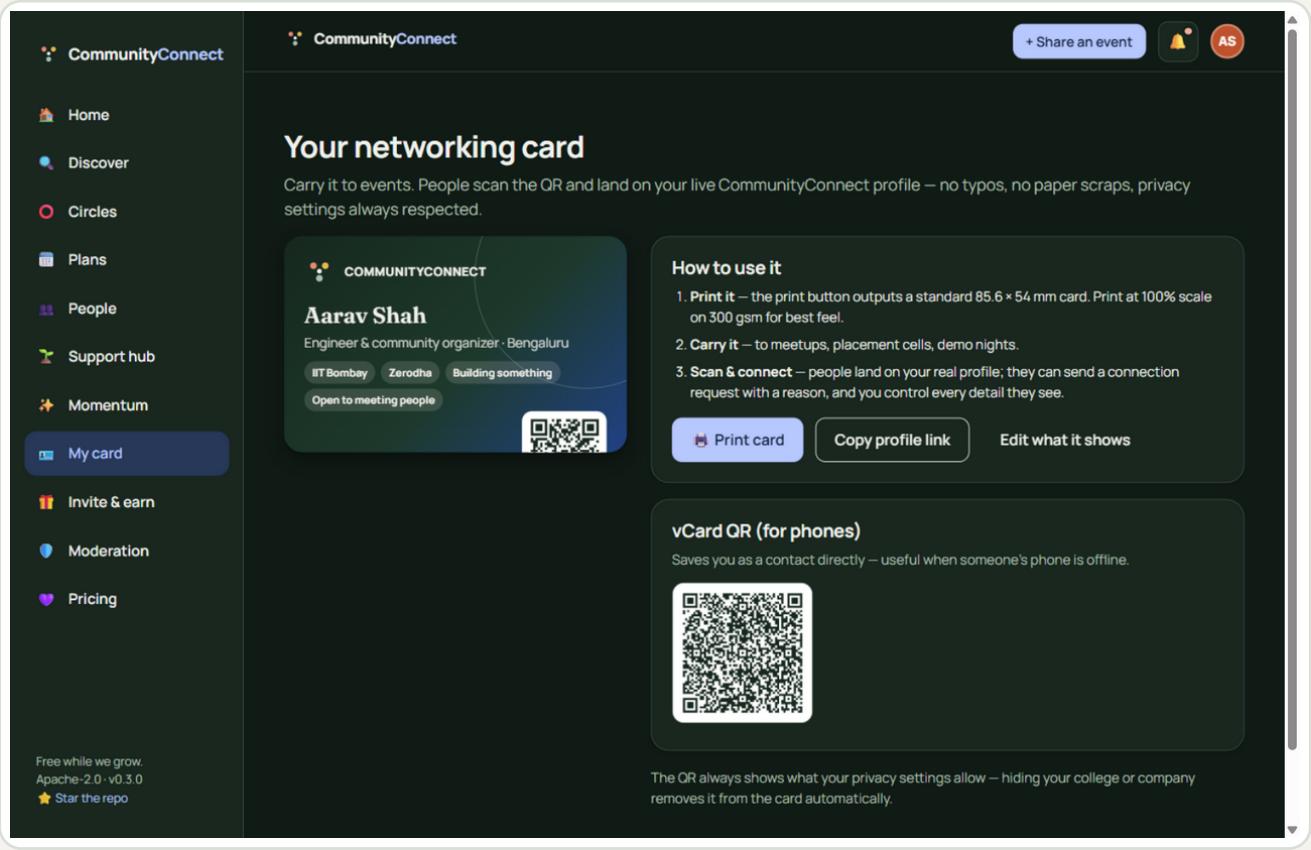

After you have attended an event together, you can vouch for someone: give a heart, verify their coll

STEP 9

Your QR networking card

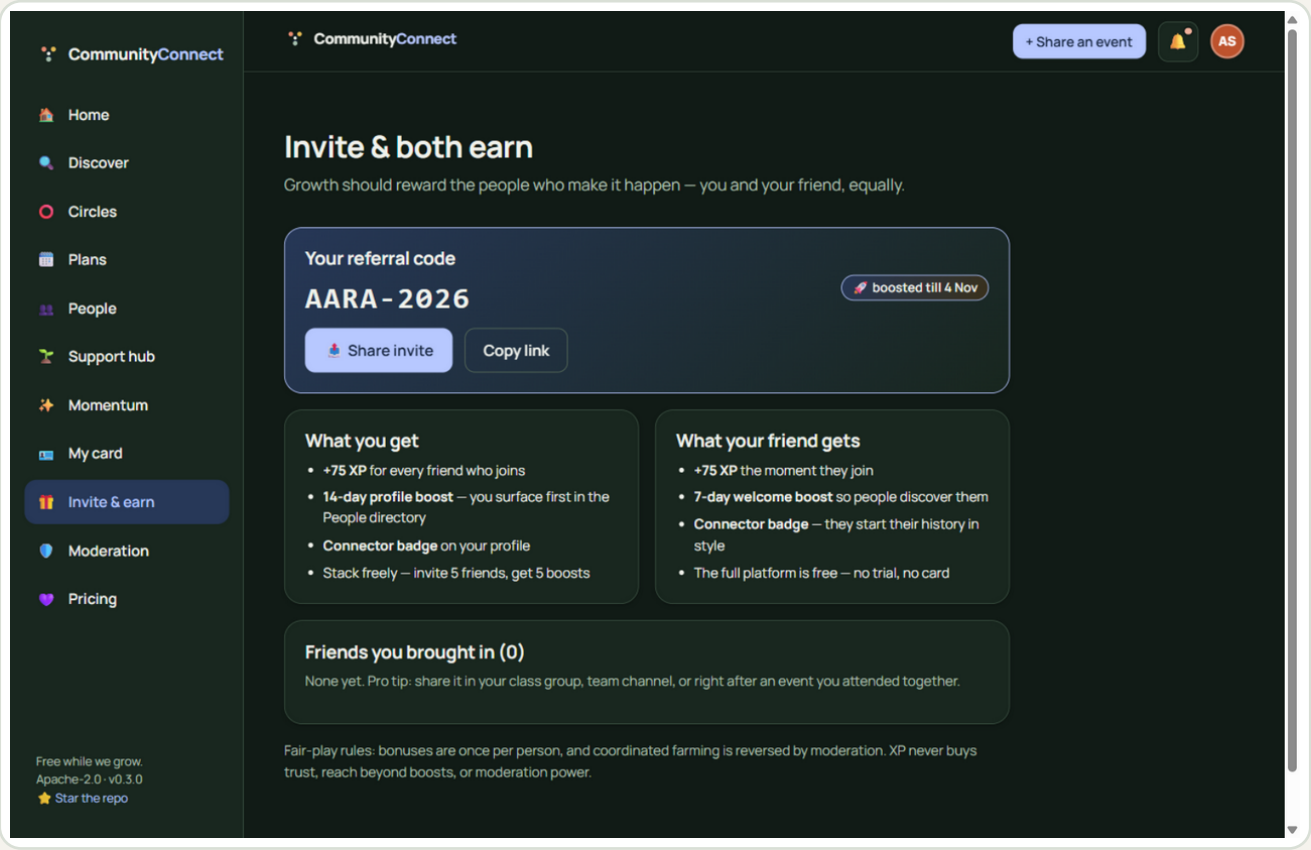

Print your card and carry it to events. It shows your name, role, links and a QR that opens your live p

STEP 10

Invite friends - both of you earn

Every account gets an invite code and link. When a friend joins with it, you both get +75 XP and boos

THE ONE RULE

Keep it kind

CommunityConnect works because people are honest and decent: real names, reasoned connection re
