COMMUNITYCONNECT

Never event alone.

Find your event. Bring your people.

Turn the three event links in your group chat into one plan everyone actually attends.

1 Share the options

Post events or paste any link - the source stays visible.

2 Decide together

Your circle votes can / maybe / cannot. Clashes show up. One plan wins.

3 Show up together

Everyone confirms. Bring a buddy. Vouch for great people.

Invite a friend - you both get +75 XP and a 14-day boost

People who join through our team links get Founding Member perks: +100 XP, every profile them top directory placement - permanent. Free while we grow; students and job seekers alwa welco

Decision Rooms · Peer vouches · QR networking cards · Support hub

Scan to join free - Founding Member perks inside

Open source (Apache-2.0) · github.com/siddhant-pardeshi/communityconnect - star the repo if it helps your community
